CurbedWire: L Haus's Lush Lawn, Fifth on the Park Amended

LONG ISLAND CITY—Though we're [no strangers](#) to the curious facade of LIC's new **L Haus** building, PR has just sent out a release announcing the unveiling of the building's Cetra/Ruddy-designed facade. It's a big, pretty photo, so we couldn't resist. Also, check out the reveal of the Haus's lawn, so far showing no visible signs of Slip-n-Slide related damages. [CurbedWire Inbox]
