L Haus On Tour

Monday, October 27, 2008, by Joey

Last we heard, Long Island City has yet to break off from Queens and fall into the river, and so you'll want to get a taste of LIC 2.0 by checking out this **virtual tour of L Haus** posted on YouTube. Yes, the building's backyard will be the hottest sunbathing spot this side of the Pulaski Bridge, but what is that one lady doing in the clip, burying treasure? [YouTube; [previously](#)]
